Your Website Decisions

Updated November 9, 2026 — 11 of 14 answered and live, 3 still need you

Be-YOU-tiful Boutique by Michele

Michele — this started as 14 questions to get your store built. Most are answered now: the site is live (password-protected) at shopbeyoutifulboutique.com, and each item below shows the decision that was actually made, checked against the live site today. Three are still open — **#3** (final logo pick for the hero), **#6** (your best sellers) and **#8** (pay-in-4) — flagged below.

Part 1 · The look

1 **Do you approve the homepage design?** ANSWERED

Open *Files → 01 Design Preview*. It matches the Smith + Co. site you liked: white, clean, thin black frames, your logo front and center.

☐ Yes, build it ☐ Yes, with the changes I've listed ☐ Let's talk first

Decision:
"Yes, build it" — from your signed contract. Live since September, and refined twice since: the Oct 16 clean pass (bigger logo, simpler one-line nav) and the Oct 18 update (new product and category cards, homepage landing sections).

2 **The teal accent band** ANSWERED

[Historical form Michele already answered — kept for record; corrected 2026-09-28: the teal was chosen to go with your peacock branding, not sampled from your logo file] A deep peacock teal for one bold stripe on the homepage ("Every body. Every occasion. Be-YOU-tiful."). Smith + Co. is pure black-and-white; this is the one thing that makes the site yours.

☐ Love it, keep it ☐ Make it black & white like the reference ☐ Try a different color: ____

Decision:
"Love it, keep it" — from your signed contract. Still live and unchanged since; only the shade of teal itself was lightened, never the palette.

3 **Your logo** STILL OPEN

We rebuilt your Facebook logo as a crisp vector (Files → 02 Logo & Brand). If you have the original file from whoever designed it, upload it to *03 Your Photos → Logo original* and we'll swap it in for print-quality.

☐ The rebuilt version is fine ☐ I'll upload the original

Where this stands:
your real high-res logo (black + white lockup) is live now in the header and footer — no longer the traced Facebook version. What's still open: a holographic/iridescent peacock treatment for the hero is in the running alongside it, and you haven't picked a final direction yet. We'll bring you the finalists side by side.

Part 2 · What you sell

4 **Shop categories (these become your menu)** ANSWERED

Check the ones you carry, cross out the ones you don't, add any we missed.

☐ New Arrivals ☐ Swimsuits ☐ Dresses ☐ Gowns ☐ Tops ☐ Bottoms

☐ Jewelry + Accessories ☐ Sale ☐ Add: _____

Decision:
built and live. Current shop menu: New Arrivals, Dresses, Formal Wear (Gowns), Tops, Bottoms, Jackets, Shoes, Handbags, Hats, Jewelry + Accessories, Drinkware, Kids, Little Girls, Toys, Baby & Toddler, Sale and Clearance — plus brand shops for Samuel Dong, Frank Lyman, Dolcezza, Clara Sunwoo and Coco Carmen.

5 **Sizes** ANSWERED

Your Facebook says XS to 3X. Confirm, and tell us if you want a size chart on every product page.

☐ XS – 3X, correct ☐ Different range: ____ ☐ Yes, add a size chart

Decision:
XXS to 2X (not 3X) — set site-wide: homepage ribbon, About page, announcement bar and product pages all match. No size chart built yet.

6 **Best sellers to feature first** STILL OPEN

Name 4–8 items (or brands) you'd want on the homepage the day we launch.

Where this stands:
still waiting on you — this is the one piece of homepage content we can't guess. Give us 4–8 go-to items or brands and we'll feature them.

Part 3 · How you sell

7 Shipping or pickup? ANSWERED

Our default: free in-store pickup at 264-A W Marion Ave, plus flat-rate shipping in the U.S.

☐ Pickup only for now ☐ Pickup + flat-rate shipping ($____)

☐ Pickup + free shipping over $____

Decision:
we went further than flat-rate — live carrier-calculated shipping (USPS/UPS for standard orders, FedEx for overnight), priced automatically by weight and distance, plus free in-store pickup at 264 W Marion Ave (no "-A").

8 Ways to pay WORTH REVISITING

Cards and Shop Pay are automatic with Shopify. Buy-now-pay-later (Sezzle / Shop Pay Installments) is popular for gowns and event wear.

☐ Cards + Shop Pay ☐ Add PayPal ☐ Add pay-in-4 installments

Where this stands:
Cards + Shop Pay are live. No PayPal (per your contract). Pay-in-4 / Shop Pay Installments was deliberately held back while the store sat in Amber's Shopify account — it's since moved fully onto your own account, so this is worth a quick yes/no from you now.

9 Returns ANSWERED

Boutiques usually do store credit or exchange within 14 days, final sale on swim, jewelry, and clearance. What's yours?

Decision:
7 days, tag and receipt required, final sale and clearance excluded — written into your live Refund Policy page.

10 Store hours & announcement bar ANSWERED

We're showing: Mon 11–4 · Tue–Fri 10–5 · Sat 10–4 · Sun 10–5, and the top bar reads *"Free in-store pickup in downtown Punta Gorda · Sizes XS – 3X."*

☐ Hours correct ☐ Announcement text approved ☐ Change to: ____

Decision:
live hours are Mon–Fri 10AM–5PM, Sat 10AM–4PM, Sun 11AM–3PM. The announcement bar now reads "...from swim to formal wear · Sizes XXS – 2X · Women, kids & baby · Downtown Punta Gorda" — checked against the live site today.

Part 4 · Your name online

11 Website address ANSWERED

Rank your top three. We'll check which are available and register your favorite (about $15–20/yr).

☐ beyoutifulboutique.com ☐ beyoutifulbymichele.com ☐ shopbeyoutiful.com

☐ Other: ____

Decision:

shopbeyoutifulboutique.com — registered and connected. Still password-protected for preview; we'll take the password off at launch.

12 Social links to show ANSWERED

Facebook is already in. Anything else?

☐ Instagram @_____ ☐ TikTok @_____ ☐ Facebook only

Decision:

Facebook, Instagram (@michelensmginer) and TikTok (@beyoutiful.boutiq64) are all linked and live in the footer.

13 Email list ANSWERED

The footer collects emails ("Join our mailing list"). Want us to send a welcome discount automatically?

☐ Yes, 10% off first order ☐ Yes, different offer: ____ ☐ Collect emails, no offer yet

Decision:

20% off first order on regular-price items, sent automatically to new sign-ups — with an eye toward rolling this into a rewards program down the line.

14 Your story (About page) ANSWERED

Three to five sentences in your own words: why you opened the boutique, who it's for, and what "Be-YOU-tiful" means to you. Your line "Accept yourself as you were designed by God" already has a home on the site.

Decision:

your story is live on the About page in your own words — the girls'-trip-to-South-Carolina origin story — alongside three of your Facebook reviews.

Where this leaves us. 11 of these 14 are answered and already live on the preview site (password: *oct15launch*). Three still need you: **#3** — pick a final logo direction for the hero between finalists we'll send; **#6** — name your 4–8 homepage best sellers; **#8** — say yes or no to turning on pay-in-4 now that

> the store is fully on your own account. Everything else is built, checked against the live site, and ready for launch.
